PROFESSIONAL EXPERIENCE

Data Entry & SEO Specialist | Findo Group **Oct 2023 – Oct 2025**
Remote, Full-time

- Entered, organized, validated and maintained company and client records in Arabic and English, checking every entry against its source for accuracy and confidentiality.
- Used SQL to look up, update and organize records, and Excel to clean data, remove duplicates and prepare structured datasets for operational use.
- Maintained product information and listing updates for the Riza Queen e-commerce store (riza-store.com) on WordPress/WooCommerce for about a year, and wrote and published SEO articles.
- Handled customer inquiries through email, chat and WhatsApp and managed support tickets.
- Researched online sources and transferred relevant information into structured spreadsheets.
- Prepared and formatted documents, reports and presentations in Word, Excel and PowerPoint; managed email communication and digital files.

QA Engineer (Web & Mobile) | Findo Group **Oct 2025 – Present**
Remote, Full-time

- Test web and mobile applications and document each issue with clear steps, expected and actual results, severity and screenshots in Jira.
- Prepared 7 structured QA reports covering 69 documented issues, applying the same accuracy and documentation standards used in data entry.

EDUCATION

Bachelor of Arts in Geography — Surveying & GIS Division **2022 – 2026**
Faculty of Arts, Damanhour University, Egypt | Grade: Very Good | Ranked 3rd in the faculty

LANGUAGES & ADDITIONAL INFORMATION

- Arabic: Native | English: Working knowledge of workplace and technical terminology
- Arabic typing speed: 30–50 WPM
- Available for full-time remote work; able to work independently and in a team
